TO: Board of Directors

FROM: Ruth Floyd, Executive Director of Business Services

SUBJECT: Adoption of Revised Resolution - Replacement Educational Programs and Operations Levy Amounts for 2025-2028

DATE: November 7, 2023

TYPE: Action Required - Resolution 2023/2024-003

Attached is resolution 2023/2024-003, which repeals resolution 2023/2024-001 and establishes the replacement Educational Programs and Operations (EP&O) levy amounts for collection in 2025, 2026, 2027, and 2028. Some of the resolution and ballot language have been revised to include more detail on what the levy funds. The dollar amounts have not changed since the October 17 resolution was approved.

Key points for this ballot measure:

1. This levy replaces an existing levy approved by the voters in 2020 that expires in 2024.
2. Levy funds provide approximately 16 percent of the district's revenue.
3. The district may only collect the amount approved by voters as indicated on the ballot or the maximum amount authorized by the state Legislature, whichever is less.
4. Changes in assessed valuation (AV) within the district does not affect the levy amount.
5. Levy funds support staff and program costs that are not fully funded by other sources. Nearly every department, program, and school receives levy support.

Following approval by the Board of Directors, the resolution, ballot, and other information will be submitted to the Snohomish and Island County Auditors.

Recommendation: It is recommended that the Board adopt Resolution 2023/2024-003, repealing Resolution 2023/2024-001 and establishing levy amounts and authorizing the submission of a ballot measure to voters for the proposed 2025-2028 Educational Programs and Operations Levy.

WHEREAS, in the event the State Legislature increases education funding to the District, the District would, therefore, review annually and determine the need to roll back the levies; and

WHEREAS, the Constitution and laws of the State of Washington require that the question of whether or not such excess taxes may be levied must be submitted to the qualified electors of the District for their ratification or rejection;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF STANWOOD-CAMANO SCHOOL DISTRICT NO. 401, SNOHOMISH AND ISLAND COUNTIES, WASHINGTON, as follows:

Section 1. The following taxes for the District's General Fund should be levied upon all of the taxable property within the District in excess of the maximum annual tax levy permitted by law to be levied within the District without a vote of the electors:

- A. A levy in the amount of up to \$16,150,671, said levy to be made in 2024 for collection in 2025;
- B. A levy in the amount of up to \$16,958,204, said levy to be made in 2025 for collection in 2026;
- C. A levy in the amount of up to \$17,806,115, said levy to be made in 2026 for collection in 2027; and
- D. A levy in the amount of up to \$18,696,420, said levy to be made in 2027 for collection in 2028;

The estimated levy rate depends on the limitations of state law and information. At this time, based on state law, the estimated levy rate for the 2024 levy is \$1.42 per thousand dollars of assessed valuation, the estimated levy rate for the 2025 levy is \$1.42 per thousand dollars of assessed valuation, the estimated levy rate for the 2026 levy is \$1.42 per thousand dollars of assessed valuation, and the estimated levy rate for the 2027 levy is \$1.42 per thousand dollars of assessed valuation. The exact levy rate and amount shall be adjusted based upon the legal levy limits and the actual assessed value of the property within the District at the time of the levy. Upon approval by the voters of the proposition substantially in the form set forth below, the District may use the proceeds of said levies during the 2024-2025, 2025-2026, 2026-2027, 2027-2028 and 2028-2029 school years by incurring an indebtedness by the issuance of short term obligations against the General Fund of the District, as authorized by Chapter 39.50 RCW, and may expend the proceeds of said levies to pay such part of the general expenses of educational programs and operations of the District during such school years as may be authorized or allowed by law for the use of local levy funds.

Section 2. It is hereby found and declared that the best interests of the District require the submission to the qualified electors of the District of the proposition of whether or not the District shall levy such excess tax for their ratification or rejection at a special election to be held therein on February 13, 2024.

The Snohomish County Auditor, as *ex officio* supervisor of elections in Snohomish County, Washington, is hereby requested to call and conduct said special election to be held within the District on said date and to submit to the qualified electors of the District the proposition substantially in the form hereinafter set forth. The Secretary of the Board of Directors is hereby authorized and directed to certify said proposition to the Snohomish County Auditor substantially in the following form:
