LEARN ABOUT OUR LEVY

Local levy dollars make up over 16% of our budget, bridging the ongoing gap between what the state funds and what it actually costs to deliver each student a quality education and safe environments for learning.

Athletics

The levy funds the entirety of the district's General Fund spending on athletics and activities — as the state does not consider these part of “basic education.”

Safety

The levy also pays for the district's security staff. The state provides very little funding for safety and security services.

Staff

Levy dollars are used for staff in each and every school building in our district, including teachers, nurses, paraeducators, counselors, and more.
