RE: Approval of Administrative Salary Schedules

I have provided, for your review, a copy of the updated administrator salary scheduled. Classified administrator salaries have been increased by 7.5%, commensurate with the Public School Employee salary rate increase. District certificated administrative staff salaries will be maintained at the current level until a comparison can be completed with regional districts in the fall of 2023.

As you review these documents, if you have any questions please call me at your convenience.

RECOMMENDATIONS:

I recommend that the board approve the updated salary schedules for administrative staff.
