

Technology Update

OUR PROMISE

Every student in the Stanwood-Camano School District is **empowered to learn** in an inclusive setting and is **prepared for the future** of their choice.

Empowered to Learn Anywhere

Technology Vision Statement for the Stanwood-Camano School District from the 2021-2025 Technology and Learning Plan

Engaging and enabling students and staff to personalize education using a variety of technologies integrated into learning and the curriculum.

Empowered to Learn!

Student and Staff Device - Planning

- One to One ratio of students to chromebooks through 2024 - 2025 school year.
- Certificated staff device renewal this year to replace 7 year old devices.

Network and Infrastructure

- Initiation of Multifactor Authentication (MFA).
- Increased throughput of filter to 2 GB from 1 GB.
- Planned E-rate discounted purchase of 115 Access Points to replace 10 year old Access Points to maintain wifi connectivity in all district buildings.

Empowered to Learn!

Wifi Access at Home

- Moves our purchased T-Mobile hotspots to no cost access for 100 GB per year for 5 years.
- Devices can be distributed to those students who self-identify as needing access at home.
